

What do you need to start?

You need to be an ASB Fastnet Classic or Fastnet Business customer. We also recommend using the latest version of Internet Explorer, Firefox, Safari, Chrome or Opera to get the most from Business Cash Plan.

A

Where do you find Business Cash Plan?

Step 1. Log on to FastNet Classic or FastNet Business.

FastNet Classic

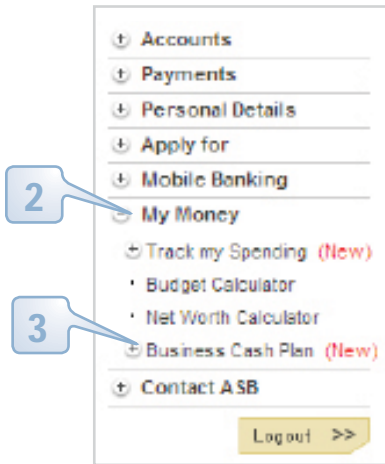

Step 2. Click on 'My Money' in the left hand menu.

Step 3. Click on 'Business Cash Plan'.

FastNet Business

Step 2. Click on the 'Business Cash Plan' tab.

Left hand menu in FastNet Classic

B

How you set yourself up

Follow the set up wizard.

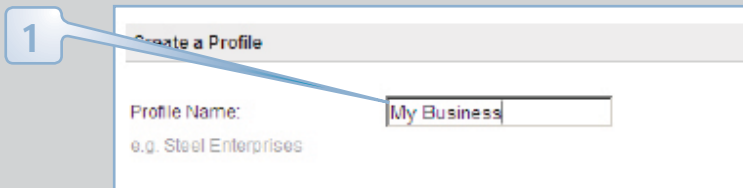

Step 1. Give your Profile a name.

Step 2. Select the ASB Bank accounts you want in your Profile*.

*What is a Profile?

A Profile is a grouping of accounts you'd like to display in your Business Cash Plan. For instance you could set up a Profile for your business accounts and name them 'My Business' or for your Rental Property and name it 'My Rental'.

Giving the Profile a name in Business Cash Plan.

Selecting bank accounts to be displayed in a Profile.
