

How to reinvest a term investment using FastNet Classic internet banking

STEP 1:

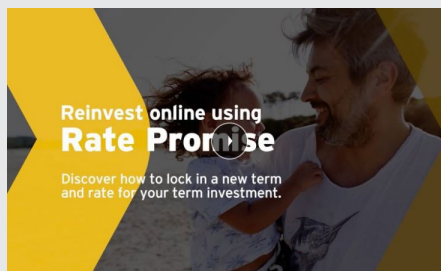

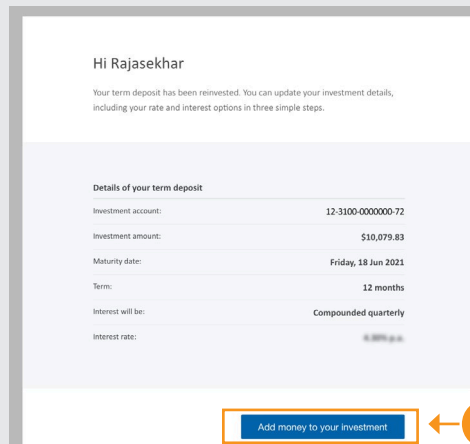

Select **Manage your investment** **A**.

STEP 2:

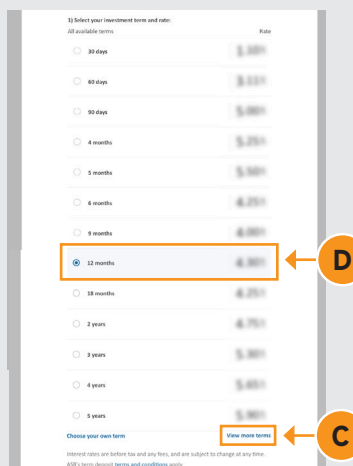

If your investment has matured, and you would like to add funds to your investment, select **Add money to your investment** **B**.

Tip: If your investment hasn't matured, check out our **Rate Promise** video.

STEP 3:

Select **View more terms** **C** or select the **term** you want **D**.

STEP 4:

Choose how you want **interest** to be paid **E** and select **Next** **F**.

2) Would you like your interest to be compounded throughout the term?

Yes, compound it No, pay regularly

Your interest will be compounded quarterly (added to the investment).

Your estimated return on investment

Interest before tax:	\$439.73
RWT rate:	10.50%
Less tax:	\$46.15
Net interest:	\$393.58

Interest compounded quarterly will return more at maturity than the interest pay out option.

STEP 5:

Choose what you would like to do at **maturity** of your investment **G** and select **Next** **H**.

3) Would you like to reinvest your term investment at maturity?

Yes, reinvest funds No, set to close account

You can change your maturity instructions any time during the term. We'll be in contact when this investment nears maturity.

At maturity: Reinvest principal + interest

Reinvestment term: 12 months

Interest will be: Compounded quarterly

STEP 6:

Check that the details for the investment are correct.

Remember to review the terms and conditions, then select **Agree and finish** **I**.

Please review and confirm your investment details.

Your term deposit details [Edit](#)

Your maturity details [Edit](#)

At maturity: Reinvest

For a term of: 12 months

Interest will be: Compounded quarterly

You can change your maturity instructions any time during the new term.

Confirmation

I confirm by selecting 'Agree and finish' that I have read and accept the ASB's term deposit terms and conditions.

Maximum amount across all term deposits held either solely or jointly with any person is \$50 million. You can ask to make an early withdrawal by giving us 31 days' notice. If we agree we will apply a reduced interest rate for your early withdrawal.

STEP 7:

You have successfully re-invested your term investment **J**.

Your new term deposit has been updated.

If you need to make changes, you can change your:

- Investment term & interest options until Monday, 22 Jun 2020.
- Maturity instructions throughout the term.

Use FastNet Classic to make changes.
