

How to set up an automatic payment using the ASB Mobile Banking app

STEP 1:

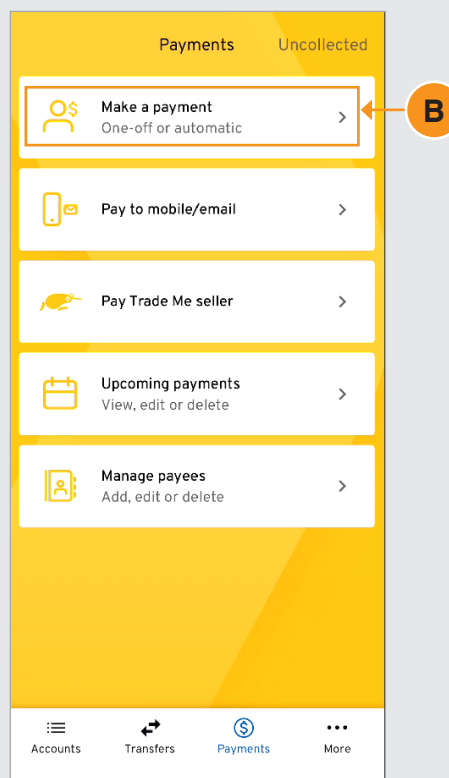

Log in to the ASB Mobile Banking app and select **Payments** **A** on the bottom bar.

STEP 2:

Select **Make a Payment** **B**.

Tip: You will need to enter your five-digit PIN, even if Touch or Face ID has been used.

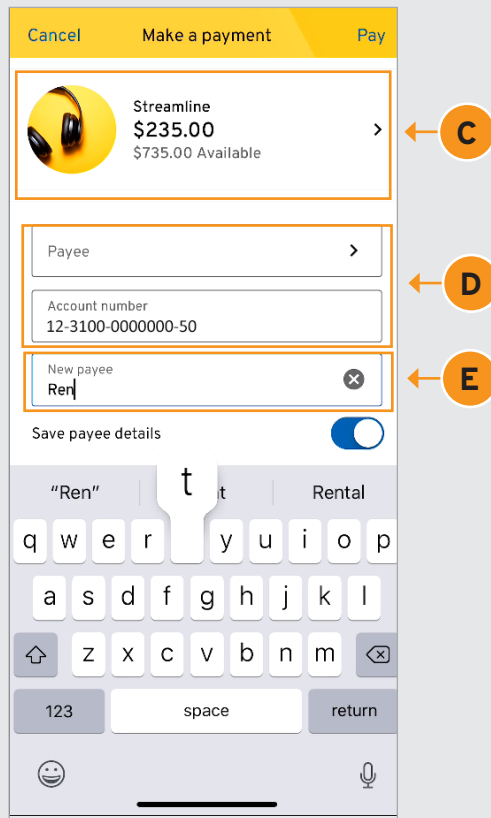

STEP 3:

Select the account **C** the payment is to be made from.

Select an existing **Payee** or enter the **Account number** of the person you want to send a payment to **D**.

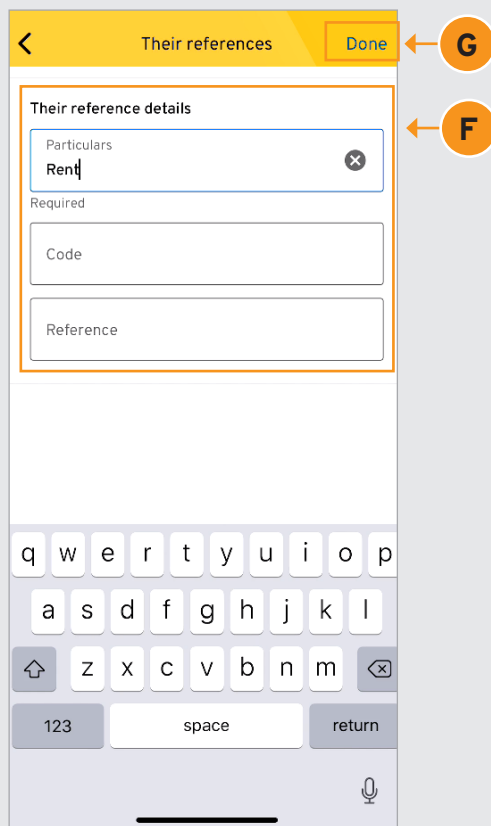

Enter the **New payee** name **E**.

Tip: To dismiss the keypad, tap the screen.

STEP 4:

Enter the **reference details** **F** for the payee and yourself and select **Done** **G**.

STEP 5:

Enter the **Amount, How often, Start and End dates** **H**.

Review and select **Confirm** **I**.

The left screenshot shows the 'Make a payment' screen with the following fields: Payee (Rent), Account number (12-3100-0000000-50), New payee (Rent), Save payee details (checked), Their reference (Rent), Your reference (Rent), Amount (\$200.00), How often (One off), and When (Today). Callout H points to the Amount, How often, and When fields.

The right screenshot shows the 'Confirm' screen with the following fields: New payee (Rent), Save payee details (checked), Their reference (Rent), Your reference (Rent), Amount (\$200.00), How often (Weekly), Start on (Tuesday, 30 Jun 2020), and End on (Pay until cancelled). Callout I points to the Confirm button.

STEP 6:

Double check and select **Save** **J**.

Success, your payment has been scheduled **K**.

The left screenshot shows the 'Confirm' screen with a 'Save' button. Callout J points to the Save button.

The right screenshot shows the 'Confirmation' screen with a 'Payment scheduled' message and a green checkmark. Callout K points to the Payment scheduled message.
