2. Your Card and PIN

Card

- 2.1 We must be satisfied with your identity before we open a Card Account for you. The principal cardholder, each joint cardholder, each additional cardholder, each business cardholder and each Beneficial Owner will be required to provide us with proof of their identity and address to open a Card Account, obtain a Card and at other times, for example, when you withdraw certain amounts out of the Card Account. We will only provide you with a Card where the information made available to us leads us to believe you will be able to meet the terms of the Card facility.
- 2.2 You must sign your credit card as soon as you receive it.
- 2.3 You must not use your Card for anything illegal, or allow anyone else to use your Card, Card number or PIN, and must keep them safe from theft or fraudulent use.

PIN

- 2.4 You will be required to have a PIN on your Card. You will need a PIN to use your Card to access an ATM and for most Transactions made with a chip Card. If your Card has contactless technology you may choose to make Contactless Transactions with or without using your PIN. See the

“Contactless Transactions” section. When you select your PIN, you should choose a number that you will be able to remember easily. You must not choose unsuitable numbers such as:

- birth dates, months or years;
- sequential numbers (e.g. 3456);
- number combinations that may be easily guessed (e.g. 1111);
- parts of your telephone number;
- parts of numbers in the order in which they are printed on your Card;
- other easily accessible personal data (e.g. drivers licence or any other numbers easily connected with you).

Keeping your Card and PIN secure

2.5 To protect yourself against Card fraud you must safeguard your Card and PIN:

- Do not write your PIN down anywhere. Memorise it instead.
- Never tell anyone (including Police, bank staff or your family) your PIN.
- Make sure no-one can see you enter your PIN at ATMs or when using EFTPOS, or see your Card details when using a computer to shop online.
- Consider using a different PIN for different cards.
- Take care of your Card. Do not leave your Card in an unattended vehicle, wallet or purse or anywhere where a thief could remove a Card without being noticed (for example in nightclubs, hotels or restaurants).
- Do not let anyone else use your Card.
- Always remember to take your Card back after using it.
- Tell us if you change your address so replacement Cards are sent to the correct place.
- Report the loss or theft of your Card as soon as you're aware of it.
- When using your Card online ensure there is 'https' in front of the web address and that there is a padlock or other security symbol on the web page.
- Never email your Card number.

Theft, loss or misuse of your Card or PIN

2.6 You must contact us immediately on becoming aware your Card is lost or stolen, if your Card is in the possession of another person, or your Card or PIN is misused (or you think it may be):

- **If you are overseas**, phone the ASB Contact Centre in New

Zealand on +64 9 306 3000 collect. If you are unable to call the ASB Contact Centre, you must notify the nearest office of Visa or Mastercard.

- 2.7 You agree to provide us any information and help we reasonably ask for to deal with misuse or unauthorised access to your Card Account, or in relation to any other Transaction we, the police or other authorities are investigating. We may pass on related information to other banks, the police, Visa, Mastercard or those involved in processing Card payments. There may be occasions when we ask that you lodge a formal complaint with the police in relation to your Card Account. If you decline to do so and we are prejudiced as a result we may decline to reimburse you for any loss on your Card Account.
- 2.8 At your request, we will send you a replacement Card. A replacement fee may apply.

Changing your Card Type

- 2.9 On occasion we may have reason to issue a different Card Type from the one you applied for, or in place of your existing Card. If we do this we will give you a new Card Account number and Card. You have the right to cancel the Card Account if you do not want the different Card Type.

3. Your Card Account

Notifying us of your details

- 3.1 You must tell us if your name, Beneficial Owners or contact details change.

Provision of information

- 3.2 During your relationship with us we may ask for and collect further information about you and the Beneficial Owners and your dealings with us.

Statements

- 3.3 Your statement will be made available to you monthly. We will not issue a monthly statement if there is no balance on your Card Account and no new amounts have been debited or credited since the previous statement.

Joint cardholders

- 3.4 We may at our discretion allow you and a joint cardholder to each hold a Card on the same Card Account. You are both bound by these Conditions of Use.
- 3.5 You and any joint cardholder are liable both jointly and severally for any amount owing to us on the Card Account. This means that any one or more of you may be required to pay amounts, including any outstanding balance, owed on the Card Account.
- 3.6 Cardholder personal information and Card Account information will be available to all cardholders on the Card Account.
- 3.7 Any joint cardholder can give us instructions independently of the others on the Card Account. For example, one joint

cardholder can request a higher credit limit on the Card Account and one joint cardholder can request a different Card Type for all Cards on a Card Account.

- 3.8 Each joint cardholder appoints each other joint cardholder on the Card Account as their agent to receive Credit Contracts and Consumer Finance Act 2003 disclosures, notices and other communications on their behalf. The joint cardholder receiving the disclosures, notices and other communications acknowledges that it is receiving these on its own behalf and on behalf of the other joint cardholders. A joint cardholder may, by notifying us, terminate the appointment of another joint cardholder as their agent for receiving these disclosures, notices and other communications.

Additional cardholders

- 3.9 If you would like someone else to have access to your Card Account with a Card, we can (at our discretion) issue an additional Card to that person. You must make sure that person is aware of, and keeps to, all conditions relating to the use and safety of Cards.
- 3.10 Transactions made by an additional cardholder will be treated as Transactions made by you. You are responsible for all use of the additional Card. You must pay us for Transactions made by the additional Cardholder. You will also be liable for any charges payable as a result of use of a Card by an additional cardholder.
- 3.11 Cardholder personal information and Card Account information will be available to all cardholders on the Card Account.

Business Cards

- 3.12 At the request of a business organisation, we may issue you a Business Card on that business organisation's Card Account. The business organisation and all Business Card cardholders are bound by these Conditions of Use.
- 3.13 You, the business organisation, are liable for all amounts owing to us on the Card Account. Where the business organisation is a sole trader and it has elected to have a Business Card Account, the sole trader is personally liable for all amounts owing to us on the Card Account.
- 3.14 Business cardholder personal information and Card Account information will be available to the business organisation which has authorised the issue of the Business Card(s).

4. Transactions and credit limits

Your credit limit

- 4.1 We will tell you your credit limit when we first open your Card Account and on your monthly statements.
- 4.2 We can decline Transactions that are over your credit limit. If you try to make a Transaction over your credit limit, we will treat this as a request to go over limit.
- 4.3 You can tell us if you want a lower credit limit on your Card Account or if you do not want your credit limit to be increased.

We may require minimum limits.

- 4.4 You may request a higher credit limit on your Card Account. We will only increase your credit limit when the information made available to us leads us to believe that you will be able to meet the terms of the Card facility. We have the right to decide not to increase your credit limit.
- 4.5 An additional cardholder or a Business Card cardholder cannot request changes to the credit limit.
- 4.6 We may decrease your credit limit from time to time.
- 4.7 If you exceed your credit limit we can:
 - decline further Transactions; and
 - demand that you pay the amount over limit immediately.

Using your Card

- 4.8 You may use your credit card to make Transactions in New Zealand and overseas with any merchant or bank displaying your Card symbol and to make cash withdrawals at any ATM. You may use your credit card to check your Card Account balance and other nominated ASB account balances, and to transfer funds between your ASB accounts at ASB ATMs.
- 4.9 If your Card has contactless technology you may choose to use your Card to make Contactless Transactions in New Zealand and overseas with any merchant or bank displaying your Card symbol and the contactless symbol.
- 4.10 A merchant may charge you a fee for using your Card. The merchant determines the amount of the fee.
- 4.11 Once you have made a Transaction, you cannot cancel it.
- 4.12 We will not be held liable if you are unable to:
 - complete a purchase using your Card; or
 - access ATMs in New Zealand or overseas; or
 - withdraw funds.
- 4.13 If you encounter difficulties with another New Zealand bank's ATM and cannot resolve them with that bank, we will provide assistance.
- 4.14 We may refuse to carry out a Transaction if:
 - you have exceeded a limit we have applied to your Card Account (such as a daily limit on Cash Advances);
 - it seems unusual compared with the way you normally use your Card and we suspect misuse;
 - we reasonably consider it necessary to protect the security of your Card Account;
 - we reasonably believe that someone else may have rights over money in your Card Account; or
 - any other reason set out separately in these Conditions of Use.

Contactless Transactions

- 4.15 You will be required to enter your PIN or sign to use your Card to make a Contactless Transaction in New Zealand of over NZ\$80.00. If you use your Card to make Contactless Transactions overseas, different limits may apply. We have no control over these limits.
- 4.16 For security purposes you may be required from time to time to enter your PIN or sign to use your Card to make a Contactless Transaction in New Zealand or overseas that is less than NZ\$80.00.

Using your Card overseas

- 4.17 You can use your Card to make Overseas Transactions. Overseas Transactions will either:
- first be converted into US dollars and then into New Zealand dollars; or
 - be converted directly from the Transaction currency into New Zealand dollars, at the applicable Conversion Rate.
- 4.18 Overseas Transactions made using a Mastercard card at a Commonwealth Bank of Australia ATM will incur an ASB Retail Exchange Margin. All other Overseas Transactions will incur Offshore Service Margins. The Offshore Service Margins and the ASB Retail Exchange Margin are subject to change on 14 days notice. Please refer to the ASB Guide to Fees brochure for the current margins. A copy is available from any of our branches or at www.asb.co.nz. Margins will be charged to your Card Account along with the total converted amount of the Transaction.
- 4.19 You may be offered the opportunity to choose to pay for goods or services at a merchant in a country other than New Zealand, in New Zealand dollars, at the time of the purchase. Or obtain cash from an ATM in a country other than New Zealand, where the currency conversion is performed at the time of the cash withdrawal and sent to ASB in New Zealand dollars. This is referred to as called Dynamic Currency Conversion and can be applied only by agreement between you and the merchant or overseas bank. The conversion rate and any fee charged by the merchant or overseas bank is applied at the time the transaction or cash withdrawal is made and is determined by the merchant and the merchant's bank or overseas bank. We have no control over the conversion rate used or fees charged.
- 4.20 Overseas Transactions may be subject to exchange controls or other government requirements, customs duties and taxes. All such charges are your responsibility.

Cash advances

- 4.21 If you use your Card to obtain Cash Advances in New Zealand (other than at an ASB branch or other bank branch), the following limits apply:

- a maximum daily amount of NZ\$2,000 for ASB Gold Cards and ASB Platinum Cards; and
- a maximum daily amount of NZ\$1,000 for all other Cards.

4.22 We may charge you a Cash Advance fee. Please refer to the ASB Guide to Fees for the current fees. A copy is available by request at any of our branches or at asb.co.nz

4.23 If you use your Card to obtain Cash Advances from an overseas ATM displaying your Card symbol or an overseas merchant, different limits may apply and you may be charged an access fee. We have no control over these limits or the access fee charged.

4.24 If you use your Card to make a cash withdrawal from an ATM not displaying the ASB logo you may be charged an access fee. We have no control over the access fee charged.

Dual account access

4.25 You may choose to use your Card to access some of your other transactional and savings accounts through ATMs and EFTPOS terminals in New Zealand and through ATMs overseas.

4.26 Business Cards can not be used to access other accounts.

4.27 Dual account access is granted on an individual basis. You will be able to nominate to have access to:

- accounts where you are sole signatory; and
- joint accounts where you are authorised to operate the account alone.

4.28 If you use your Card to access your transactional and savings accounts, the following daily limits apply:

- a maximum amount of NZ\$2,000 for cash withdrawals via ATMs and EFTPOS; and
- a maximum amount of NZ\$5,000 (including any cash obtained) for purchases of goods and services using EFTPOS.

Pre-authorisation of Transactions

4.29 A bank or a merchant may obtain an authorisation to complete a Transaction. The purpose of an authorisation is to establish that there are no restrictions on the Card Account and that there are sufficient funds in the Card Account for the Transaction.

4.30 If the actual value of a Transaction is not known (e.g. petrol at pump, hotel/motel accommodation) a bank or a merchant may obtain an authorisation for an estimated value of the Transaction. Once authorisation is obtained, the available funds on your Card Account will be reduced by the value of the authorised amount. This authorised amount will remain on your Card Account until a Transaction that matches the authorisation is processed, or if no matching Transaction is

processed, for up to four days. This means that in some instances your available funds will be reduced by the amount of both the authorised amount and the actual Transaction amount for a short period of time.

Cash

4.31 Where you pay cash into your Card Account at an ASB branch we will show it in your Card Account that day. We will allow you to use it straightaway. We may require you to provide proof of your identity, address and where the cash has come from where the amount is over a certain limit set by us.

4.32 Where someone else pays cash into your Card Account and the amount is over certain limits set by us, they will be required to provide proof of their identity, address and where the cash has come from. We will not accept the payment until this proof has been provided.

4.33 Where you pay cash into your Card Account at an ASB ATM you will not be able to use the cash until it has been counted, which may be the next business day.

Setting locks and limits

4.34 Only the holder of a Card can “lock” or “limit” transactions or apply a temporary lock on the Card.

4.35 If Card Control is available to you through your ASB mobile application, then by updating your Card settings via the ASB mobile application, you can “lock” your Card to block:

- in-store Overseas Transactions on your Card, where your Card is physically presented at a merchant terminal outside of New Zealand (excluding ATMs);
- Transactions made on your Card online;
- cash withdrawals using your Card at an ATM (both within New Zealand and overseas);
- Contactless Transactions; or
- all Transactions made by your Card, where you have misplaced it or to prevent unauthorised use (“temporary lock”).

You can then “allow” these Transaction types by updating your Card settings.

4.36 You can set a limit per Transaction on your Card and update or remove the limit, by updating your Card settings in the ASB mobile application.

4.37 If you choose to apply a temporary block and block all transactions made by your Card, you should be aware that a temporary lock does not report your Card to us as being lost or stolen.

4.38 You can remove locks and limits by updating your Card settings in the ASB mobile application or by calling us on 0800 255 382, or +64 9 306 3181.

4.39 If you use your Card to access some of your other transactional and savings accounts then locks and limits will apply to all accounts you can access with your Card.

How do locks and limits work?

4.40 Transactions will be declined by us when we receive an authorisation request for a Transaction which matches one of the Transaction types you have locked, exceeds a limit you have set or takes place when a temporary lock is in place.

4.41 We rely on the information about a Transaction that a merchant or financial institution provides us to determine whether the Transaction matches one of the Transaction types you have locked. If, for example, you block in-store Overseas Transactions but the merchant store owner incorrectly processes the in-store Transaction as an online Transaction, the Transaction will not be blocked.

4.42 Irrespective of your lock or limit settings we will not decline Transactions:

- that are recurring Transactions (for example, direct debits);
- you have made over the phone or where you have provided your Card details for a mail order purchase unless you have applied a temporary block;
- from your Card made via ASB branches (other than via an ASB branch ATM), ASB phone banking, online or mobile banking (including transfers from your Card to other accounts) and bill payments;
- that are not sent to us for authorisation at the time they're made, for example, some Contactless Transactions or Transactions processed when there is a system interruption, unless you have applied a temporary block; or
- that we reasonably consider should be allowed for your convenience.

These Transactions will be charged to your Card Account even if they match one of the locks or limits you have set.

Availability of locks and limits

4.43 While we will make every effort to decline transactions that match one of the locks or limits you have set, we cannot guarantee that all such transactions will necessarily be declined due to circumstances beyond our control such as those set out in Condition 4.42 above. We are not responsible for any loss you suffer if a transaction:

- authorised by you is charged to your account even though it matches one of the "locks" or "limits" you have set; or
- is declined because it matches one of the "locks" or "limits" you have set, including any subsequent loss of goods and/or services if the Merchant is unable to process the Transaction.

4.44 You acknowledge that the lock and limit functions are reliant on

computer and/or telecommunications systems.

Disruptions to these systems may result in the lock or limit functions, setting and removing blocks being unavailable from time to time.

4.45 Any locks or limits set by you:

- will continue to apply to a replacement Card issued with an identical Card number; and
- will not continue to apply to a new or replacement Card issued with a different Card number.

4.46 Note that pre-authorisations of transactions (for example, at a pre-pay petrol pump), may be declined if the pre-authorisation amount is over the amount you have set as the limit on your Card.

4.47 Lock and/or limit functionality is not available on Mastercard Cards.

Smart rate purchases

4.48 A Smart Rate Purchase is not available for Cash Advances, transactions equivalent to a Cash Advance, transfers from your Card Account, adjustments, government charges, interest charges, bank fees, charges and balance transfers.

4.49 At the expiry of any relevant Smart Rate Purchase period, the Smart Rate Purchase will be treated as an ordinary purchase and the standard purchase interest rate will apply to any unpaid balance of such Smart Rate Purchase.

- 6.1 You must make a minimum payment by the payment due date every month as shown on your monthly statement. The minimum payment is the greater of:
- 3% of the closing balance shown on your monthly statement; or
 - \$10,

statement for any reason please contact us as you are still required to meet your minimum payment obligation.

- 6.3 If the full closing balance shown on the monthly statement is not paid by the payment due date, interest will be payable as set out in Condition 7.
- 6.4 You can always pay more if you want to. However if you do, you will still need to pay the minimum payment on your next monthly statement.

- 6.5 A late payment fee will apply if you do not make at least the minimum payment due by the date shown on your statement. Please refer to the ASB Guide to Fees brochure for this fee. A copy is available from asb.co.nz and any ASB branch.

If you have multiple balance transfers and/or Smart Rate Purchases within a category, we pay them in the order of highest to lowest interest rate. However, if you have multiple transactions within a category with the same interest rate we can determine the order of payments and payments will not

necessarily be applied against the oldest amounts first.

Changes on grounds of unforeseen hardship

6.7 If you are unable to keep up your payments because of illness, injury, loss of employment, the end of a relationship, or other reasonable cause, you can apply to us to postpone, during a specified period, the dates on which payments are due under your agreement with us.

To apply for this change you need to:

- make a request to us in writing which explains your situation and requests the change; and
- reasonably expect to be able to keep up your payments if the change is made.

You should apply to us as soon as possible. If you leave it too long, we may not have to consider your application.

This interest will be charged from the beginning of the statement period until payment of that portion of the balance is made in full.
